

IPM Certification is for a staff person at the business. Every business must have at least (1) IPM Certified Turf Practitioner to oversee the program. To become IPM Certified, the individual is required to write an IPM Examination. Following the successful passing of the exam, the individual is then required on an annual basis to accumulate a minimum of (8) Continuous Education Credits and pay an annual administration fee of \$25.00 in order to retain their certification. The cost to write the IPM Exam is \$235.00. The cost to rewrite the IPM Exam in the event of a failing mark is \$200.00
