

Mid-Summer Newsletter from Plant Health Atlantic (Promoting Environmentally Safe Turf Management)

As we move into the 2nd half of summer both in the golf and lawncare industries, I hope that all is going well both in your respective businesses and healthwise as related to the global Covid-19 pandemic. We all should be very thankful that we live in the Maritime Provinces and let us hope that all remains well.

Turf Practitioners

A special welcome to the new Turf Practitioners who have recently passed the IPM Exam including:

Nick Stewart - Eco Grass (2001) Ltd.

Amy Austin - Fraser Landscaping

Haylee Clark - Clarkview Outdoor Living Solutions

Cody Williams - Lawrence Landscaping

Do you have a member of your staff who would like to become an IPM Certified Turf Practitioner? Contact the administrator via [email](#) to schedule writing of the IPM Examination.

Congratulations Gordon Horsman

Congratulations goes out to Gordon Horsman (City of Moncton) and member of the PHA Executive on his recent award as Turf Manager of the Year as announced by Turf & Rec magazine. Click on [link](#) to read the article.

Onsite & Spot Audits

Ken Browne has been busy over the past few months conducting Onsite & Spot Audits. if you are scheduled for an Onsite Audit in 2020, Ken will be in touch to schedule an appointment.

Permitted Herbicides & Insecticides

Periodically we provide the updated list of approved Herbicides & Insecticides. Click [here](#) for the current listing of approved Herbicides & [here](#) for approved Insecticides.

Reminder

Just a reminder that Full Desk Audit documents and Invoices will be sent to all facilities via email in late September/early October so watch for them in your Inbox.

Classifieds

If you have equipment for sale, looking to purchase equipment, looking to hire staff or any other similar message you would like to have extended out to the Industry, please forward the information via [email](#) to the Administrator. We will post the information on the Plant Health Atlantic website and include it in future newsletters.
