

Upcoming Continued Education Credit (CEC's) Events

Note: Due to Covid-19 restrictions, most events which previously have offered CEC's have been cancelled or postponed until further notice. In consultation with PHA Executive, the Provincial Department of Environment & Local Government have reinstated the requirement for Turf Practitioners to receive CEC's for the 2022-23 season.

Opportunities are being received from various sources providing Online sessions which qualify for CEC's and Turf Practitioners are encouraged to take advantage of these.

VERY IMPORTANT: Sessions offered may (or may not) have the option to sign in so it is extremely important that if you take an Online session to advise the PHA Administrator via [email](#) immediately.

Opportunities Available (will be updated regularly)

- **Evergreen Bio Innovations** in partnership with Nova Turf are offering the following sessions:
 - **How to Create & Manage for Disease Suppressive Soils** on January 7th presented by Jill Clapperton, PhD. Jill is the Principal Scientist & CEO of Rhizoterra Inc.
 - **Using Compost to Reduce Thatch & Improve Turf Health** on January 14th presented by Dan Dinelli, Golf Course Superintendent North Shore Country Club.
 - **Amino Acid Fertilization** on January 21st presented by Jeff Hagg, Turf Specialist & Researcher Xavier University.

All sessions are 1 hour and each are worth 1 CEC.

To register contact either Matt via [email](#) or Pascal via [email](#).

- **Belchim Turf Protection Canada** – Belchim is hosting an online webinar on January 13th on the control of Microdochium Patch. The session will be presented by Dr. Clint Mattox & Brian McDonald of Oregon State University and Paul Grotier of Belchim Canada.

The session is 1 hour in length and is worth 1 CEC.

- **Canadian Golf Course Management Conference** presented by the Canadian Golf Superintendent's Association & the Ontario Golf Superintendent's Association will take place from **January 18th – 20th, 2022** at the Sheraton Centre Toronto Hotel. A number of sessions are available for CEC's with a total of 8 CEC's available.
