

As in past years, the Plant Health Atlantic newsletter takes most of the summer off since it is the busiest time of the year and there isn't a lot of time available for reading newsletters, but I always try to get at least one out.

As we move into the 2nd half of summer both in the golf and lawncare industries, I hope that all is going well in your respective businesses.

Turf Practitioners

A special welcome to the new Turf Practitioners who have recently passed the IPM Exam including:

Kevin Nauss - Price Landscaping

Morgan Jackson - Weedman PEI

James Smith - Jays Property Solutions

Do you have a member of your staff who would like to become an IPM Certified Turf Practitioner? Contact the administrator via [email](#) to schedule writing of the IPM Examination.

Continuous Education Credits (CEC's)

As we move into the fall season, opportunities to attain the required (8) CEC's will start to come in. These will be posted on the PHA website and also included in the monthly newsletters.

Update on Tank Mixing of Insecticides

PHAC has confirmed that it is legal to tank mix Suspend Polyzone (PCP 34599) with Tetrino

(PCP 33714) for control of Hairy Chinch Bug, as long as the new tank mixing policy (Jan 2025)

is being followed and that the most restrictive label is followed should they differ.

Follow the

application rate for each as noted on the label.

Onsite & Spot Audits

Ken Browne has been busy over the past few months conducting Onsite & Spot Audits. if you are scheduled for an Onsite Audit in 2026, Ken will be in touch to schedule an appointment.

Permitted Herbicides & Insecticides

The updated list of approved Herbicides & Insecticides is posted on the PHA [website](#).

Reminder

Just a reminder that Full Desk Audit documents and Invoices will be sent to all facilities via email in late mid to late October so watch for them in your Inbox.

Classifieds

If you have equipment for sale, looking to purchase equipment, looking to hire staff or any other similar message you would like to have extended out to the Industry, please forward the information via [email](#) to the Administrator. We will post the information on the Plant Health Atlantic website and include it in future newsletters.

In closing, if there is anything you would like to see included in the PHA newsletter or on the PHA website, just let me know via [email](#).
